

## THE GOAL CONTINUES AND THE VICTORY IS OURS

In the beginning of the year 2008, the Jeruel Children's orphanage set a goal to receive \$10,000.00 a month. This is the amount that we needed to cover all our expenses. Our monthly income however, is only \$2,500.00 to \$3,500.00 a month.

We believe that this is the Lord's ministry and that God is in control of the whole universe and all the fullness thereof, including gold and silver. (Hag.2 8) This is the reason why we would like to invite every believer in Christ to join us in contributing financially just as you have been faithful in praying and being of one accord with us on all other aspects of this ministry. You have been faithful in contributing in the past, and we are grateful for it.

As a result of the financial support, we have been able to provide the children with a home, education, medical attention and every other supply that is required. These are children who come from terrible circumstances, abandonment, naked; in the hospital with sickness, and this is the heart of Jesus that we minister to these very children. It is possible that you may be able to help us with a large quantity. Maybe you don't have what you would like to encourage you to stand in faith with us and believe that God will meet both your and our needs.

This goal will yield two results:

1. Your faith would be increased
2. Your finances will increase as well, as a result of the application laws of seedtime and harvest.

Remember, that all things are possible to him who believes (Mr. 9:23). We are convinced here at the orphanage that you are faithful believers. We would like to hear your feedback concerning the \$10,000.00 a month income. We understand if you cannot participate with us, and we respect your decision whether it is for or against. The financial hardship on the Jeruel Orphanage does not affect the enthusiasm of the children.

### Monthly Costs:

Food	\$ 2,000 dollars
Toiletries	\$ 300 dollars
Employee salary	\$ 4,200 dollars
Gasoline and maintenance of vehicles	\$ 400 dollars
Education	\$ 200 dollars
Maintenance of facility	\$ 400 dollars
Medical attention	\$ 200 dollars.
Regular clothing/uniforms	\$ 300 dollars
	<b>\$ 8,000.00 dollars</b>

We are falling short on meeting these needs on a monthly basis. In order to reach this goal, we would have to really stretch our faith daily.

We have a place in El Paso, Texas where we can sell second hand articles, if you can bring these articles to us, we can sell them and try to meet our goal.
